

Listen to the song and complete with the missing words.

Can't feel my face by The weeknd

And I know she'll be the death of me
At least we'll both be numb
And she'll **1)** _____ get the best of me
The worst is yet to come
But at least we'll both be **2)** _____ and
stay forever young
This I know, yeah, this I know

She told me, "Don't worry about it"
She told me, "**3)** _____ no more"
We both know we can't go without it
She told me, "You'll never be alone", oh, oh,
woo

I **4)** _____ feel my face when I'm with you
But I love it, but I love it, oh
I **5)** _____ feel my face when I'm with you
But I love it, but I love it, oh

And I know she'll be the death of me
At least we'll both be numb
And she'll always get **6)** _____ of
me
The worst is yet to come
All the misery was necessary when we're
deep in love
This I know (this I know, yeah), girl, I know

She told me, "Don't worry about it"
She told me, "**7)** _____ no more"
We both know we can't go without it
She told me, "You'll **8)** _____ be alone", oh,
oh, woo

I can't feel my **9)** _____ when I'm with you
But I love it, but I love it, oh
I can't feel my **10)** _____ when I'm with you (I
can't feel my face)
But I love it, but I **11)** _____ it (but I love it)

Oh, I can't feel my face when I'm with you (I
can't feel my face when I'm with you)
But I love it, but I love it, oh (but I love it, yeah,
but I love it)
I can't feel my face when I'm with you (I can't
feel my face when I'm with you)

But I love it, but I love it, oh (but I love it, still I
love it)

She told me, "Don't worry about it"
She told me, "Don't worry no more"
We both know we can't go (can't go) without it
She told me, "You'll never be alone", oh, oh,
woo

I can't feel my face when I'm with you (I can't
feel my face)
But I love it, but I love it, oh (but I love it, oh, I
love it)
I can't feel my face when I'm with you (said, I
can't feel my face)
But I love it, but I love it, oh (but I love it, still I
love it)

I can't feel my face when I'm with you (I can't
feel my face when I'm with you)
But I love it, but I love it, oh (love, love it, told
you I did)
I can't feel my face when I'm with you (I can't
feel my face when I'm with you)
(I can't feel my face)
But I love it, but I love it, oh (when I'm with you,
baby, when I'm with you, baby)
I can't feel my fa...
