

My way

And now, the end is near

And so I face the final curtain

My friend, I _____ ("say" ▶ future simple) it clear

I'll state my case, of which I'm certain

I _____ ("live" ▶ present perfect) a life that's full

I _____ ("travel" ▶ simple past) each and every highway

And more, much more than this

I _____ ("do" ▶ simple past) it my way

Regrets, I _____ ("have" ▶ present perfect) a few

But then again, too few to mention

I _____ ("do" ▶ simple past) what I _____ ("have" ▶ simple past) to do

And _____ ("see" ▶ simple past) it through without exemption

I planned each charted course

Each careful step along the byway

And more, much more than this

I _____ it my way

Yes, there _____ ("be" ▶ simple past) times, I'm sure you knew

When I bit off more than I _____ ("can" ▶ simple past) chew

But through it all, when there was doubt

I _____ ("eat" ▶ simple past) it up and spit it out

I faced it all, and I stood tall

And did it my way

I've loved, I've laughed and _____

I've had my fill, my share of losing

And now, as tears subside

I _____ it all so amusing

To think I did all that

And may I say, not in a shy way

Oh, no, oh, no, not me

I did it my way

For what is a man, what has he got?

If not himself, then he has naught

To say the things he truly _____ ("feel" ▶ simple present)

And not the words of one who kneels

The record shows I _____ ("take" ▶ simple past) the blows

And did it my way

Yes, it was my way
