

PERSONAL ANECDOTES.

Anecdotes are short stories about personal experiences.

Listen to the following anecdote and make notes about it.

When?	
Who?	
Where?	
What was the problem?	
What happened?	

Now think of your own anecdote, for instance about:

- An incident on the beach or at the swimming pool.
- An incident involving an animal.

Plan your anecdote by making notes:

When?	
Who?	
Where?	
What was the problem?	
What happened?	

Now , write it down.
