

TRABAJEMOS JUNTOS

Resuelve con ayuda de tu profesor.

1. Une con una línea cada objeto con el sólido geométrico que tenga la misma forma. (Usa colores).

2. Une con una cuerda cada sólido con su nombre respectivo. (Usa colores).

Prisma pentagonal

Pirámide pentagonal

Cubo

Cilindro

Cono

3. Une con una línea cada sólido geométrico con el cartel que le corresponde.

Esfera

Cubo

Cilindro

Pirámide

Cono

Prisma

4. Observa las siguientes construcciones y completa los datos en la tabla.

| Sólidos | Cantidad |
|----------|----------|
| Prisma | |
| Cilindro | |
| Cono | |
| Pirámide | |
| Esfera | |

5. Colorea con rojo las pirámides, con verde los prismas y con azul, los cuerpos redondos.
