

Social issues 3

UNJUMBLE THE WORDS

There so be to seems these
issues social many days. I'm sure the

ten is issues of list than bigger times it was a few years ago. I just
Googled 'social issues' and found a list of 33 different issues. I suppose that's
not a huge amount. thing surprised

looking One that me at the list is how common they are.

all much Pretty appear them of on the news most days. A few of them
weren't really in when was up news I
growing the. I can't remember hearing about drug abuse, pollution and
immigration years ago. hope social that

issues the on number I of this up not and
down goes list, although I suspect there will more problems in the future. I
think there'll be problems about don't

know today we even about things.
