Manuela: Look at this bulletin board! They have a lot of courses! For example, the reading club. I like reading fantasy books!

Juan Pablo: The reading club? No way! That's too boring for me. I don't like sitting on a chair and reading for hours. I prefer sports.

Manuela: I like sports, too. I like martial arts. Do you like martial arts?

Juan Pablo: Not really. Martial arts are not so interesting. I like team sports, for example, volleyball or basketball.

Manuela: Hey! There's a basketball team here!

Juan Pablo: Great! That's my sport! How about you, Matías? Are you interested in sports?

Matías: Not really, Juan Pablo. I'm more of an artistic person. I like painting, drawing and doing things with my hands.

Manuela: Do you like doing origami and things like that?

Matías: Yes, I do. I like making model aeroplanes, too. I'm good with my hands.

Juan Pablo: Model aeroplanes? Wow! That sounds interesting!

Matías: Yeah! It is interesting.

6 Listen and choose the correct answer, a, b or c.

In Ukraine, students are very good at gymnastics, swimming and athletics. We like doing sports because they help people to be more disciplined and healthy. We also like doing other things that are different from sports. For example, sewing's an exciting activity in many schools in Ukraine. It's very difficult for me. My sister's really good at it, but she doesn't like it. She likes dancing. She likes salsa, the Latin dance. It's a bit hard for her, but she practises every day.
