

MY SCHOOL

My name is Peter. This is my school.
My school is not very big but it is beautiful!

There is a computer room with ten computers. Computers have got keyboards.
In the computer room you can do homework.

There is a library, too. You can read biographies and stories!
The library is big and old.

In my school there is a garden, you can plant trees. It's full of flowers.

My favorite activity at school is gym.
You can play basketball and run in the sports field.

I want to start a new activity. I'm good at cooking. Cooking class is on Mondays.
It starts at half past four, and finishes at half past five.
