

SCIENCE TEST, 5TH GRADE, II PARTIAL

1. Drag the danger to the correct organ.

teacherfiera.com

THE DANGER OF SMOKING

The illustration features a central figure of a person from behind, wearing a shirt with a large 'X' over it. The person is holding a rectangular sign that reads "SAY NO TO SMOKING!!". Surrounding the figure are various line drawings of human organs and a skull, each with a dashed line below it for labeling. The organs include a brain, eyes, mouth, ear, arm, heart, lungs, and a skull with crossed bones.
