

Adición con 3 sumandos.

Observa el ejemplo los cuadritos están pintados de diferentes colores y según la cantidad, realiza lo mismo con los demás ejercicios, cuenta los cuadritos pintados y suma.

$$\begin{array}{c} + \\ \boxed{6} \\ \boxed{3} \\ \boxed{5} \\ = \end{array}$$

$$\begin{array}{r} & 7 \\ + & 7 \\ \hline & 3 \\ = & \boxed{} \end{array}$$

A vertical stack of four empty boxes. To its left is a addition equation: the first two boxes have the numbers 7 and 7 above them, separated by a plus sign; the third box has the number 3 above it, separated by an equals sign; the fourth box is empty. To the right of the stack are three visual representations: a 3x3 grid with the top-left 2x2 cells green and the bottom-right 2x2 cells red; a 4x2 grid with the top 3 rows red and the bottom row dark blue; and a 4x1 grid with the top 3 cells red and the bottom cell dark blue.

$$\begin{array}{r} & 3 \\ + & 5 \\ \hline & 4 \\ = & \boxed{} \end{array}$$

A vertical stack of four empty boxes. To its left is a addition equation: the first two boxes have the numbers 3 and 5 above them, separated by a plus sign; the third box has the number 4 above it, separated by an equals sign; the fourth box is empty. To the right of the stack are three visual representations: a 4x2 grid with the top 3 rows pink and the bottom row purple; a 4x2 grid with the top 3 rows purple and the bottom row orange; and a 4x1 grid with the top 3 cells purple and the bottom cell orange.

$$\begin{array}{r} 1 \\ + \\ 6 \\ \hline = \end{array}$$
