My Blog

This morning, I took my little brother Charlie to the park and he got stuck up a tree.

This surprised me because usually he can climb things easily. Today, he climbed up very high, but then his shirt got caught on a branch and he ¹ _____ move at all.

'Help!' he shouted. 'I ² _____ get down!' He sounded really scared.

I hate heights. I've never ³ _____ go up tall buildings because I ⁴ _____ look down. It makes me feel sick.

I ⁵ _____ even stand on a chair!

But when I heard Charlie's frightened shouts I felt different, and I ⁶ _____ climb up to him. I ⁷ _____ to free his shirt and we climbed down the tree together.

I hope the experience has changed me for ever. Will I ⁸ _____ go up tall buildings now? I don't know, but I hope I can. I'd like to try rock-climbing, too.
