

### I sail the seas with pirates

I sail the seas with pirates  
To find a chest of gold.  
I follow a white rabbit  
Down a long, black hole.  
I buy some magic beans  
And watch a tree grow.  
I hide from a witch  
In a land of ice and snow.

I fly a magic carpet  
Across the desert sand.  
And then I fly a dragon  
In a faraway land.  
I have a new adventure  
Each time I read a book.  
So if you like adventures,  
Come and have a look!
