

2 Watch the videos, then do the exercise below.

3 Look at the answers at the right side of the chart. Find the questions.

| Subject question          | Subject       | Verb     | Object           |
|---------------------------|---------------|----------|------------------|
| <i>Who talked to her?</i> | Ananda and me | talked   | to the new girl. |
|                           | Dan and Jo    | had      | an argument.     |
|                           | Nothing       | happened | on holiday.      |
|                           | Nobody        | needs    | me.              |

| Object question             | Subject      | Verb         | Object       |
|-----------------------------|--------------|--------------|--------------|
| <i>Who did she talk to?</i> | The new girl | didn't talk  | to anyone.   |
|                             | I            | didn't argue | with anyone. |
|                             | They         | argued       | about girls  |
|                             | I            | need         | a cup of tea |

4 Now complete the rule:

When you ask for the \_\_\_\_\_, the questions are **without** do/does or did.

When you ask for the \_\_\_\_\_, the questions are **with** do/does or did.

5 The underlined word is the answer. What was the question?

|      |                                                                                                                                    |
|------|------------------------------------------------------------------------------------------------------------------------------------|
| Who  | <input type="checkbox"/> <input checked="" type="checkbox"/> V <input type="checkbox"/> O<br><u>Jack</u> loves Polly.              |
| Who  | <input checked="" type="checkbox"/> S <input type="checkbox"/> V <input type="checkbox"/> O<br>Jack loves <u>Polly</u> .           |
| What | <input checked="" type="checkbox"/> S <input type="checkbox"/> V <input type="checkbox"/> O<br>Mrs Hanson needs <u>a new job</u> . |
| Who  | <input type="checkbox"/> <input checked="" type="checkbox"/> V <input type="checkbox"/> O<br><u>Mrs Hanson</u> needs a new job.    |
