3. Reading comprehension activity. Highlight the adjectives you know.

Lisa is a very hard working student. She always gets good grades when it comes to exams. She studies a lot and her favorite subject is science.

* On Mondays she goes to her grandparents' farm to take care of the animals. She's so helpful and kind with animals that her grandparents are very pleased of having her there.

* On Tuesdays, she takes theater classes because is funny and she has a lot of friends there. Every new student coming to classes feels safe because everyone is friendly and sensitive with each other.

* On Wednesdays, she stays at home studying and helping her mom with her little brother. She's very intelligent and she likes to demonstrate it by making decisions at home. She helps her brother with his homework, but sometimes he is so talkative that he doesn't focus on what he needs to do. Fortunately, he is very obedient, so he finishes all of his homework on time.

* On Tuesdays, she goes to swim, because she feels calm exercising. She feels like is a good way to stay focused and healthy.

* On Fridays, she organizes her room and her clothes. Her room is tidy and neat. She loves having everything in her place.

* On the weekends, she usually goes out with her parents to play basketball or have lunch together.
