

Lengkapkan turutan nombor berikut dengan betul

Angry Birds-themed number sequence worksheet. The top section features a sequence of Angry Birds characters connected by a dashed line, with the number 5000 written above it. Below this, the instruction "Fill in the missing numbers." is written. The main body of the worksheet consists of several rows of eggs, some containing numbers and others being blank for the student to fill in. The numbers shown are 1, 5, 10, 14, 15, and 19. The bottom section features three Angry Birds characters and a dashed line connecting them, with the number 19 written above it.

Fill in the missing numbers.

1 5 10 14 15 19
