

Disney's Aladdin Trailer

Watch the trailer and listen carefully. Put these lines in the correct order, as they appear in the trailer.

Bring me the lamp.

Do you trust me?

Hey, can you make me a prince?

I can make you rich.

I could just make you a prince.

I thought a princess could go anywhere.

No, I'm in charge, OK? I say when it's time.

Oh great one who summons me, I stand by
my oath, loyalty to wishes three.

Oh no.

OK watch this.

Really?

Rich enough to impress a princess.

Showtime!
