

Read the passage.

We have five neighbouring countries. They are China, Laos, Thailand, Bangladesh and India. China is to the northeast of us. The currency of China is the yuan. It is a very big country. There is another big country. It is India. It is to the northwest of us. The currency of India is the rupee. Bangladesh is to the west of Myanmar and it is to the east of India. The currency of Bangladesh is the taka.

Laos is to the east of us. It is between China and Thailand. The currency of Laos is the kip. Thailand is to the southeast of us. The currency of Thailand is the baht. Our currency is the kyat.

Read the passage again and write "True" or "False".

1. China is a small country.
2. India is a big country.
3. Bangladesh is to the west of Myanmar.
4. The currency of Laos is the kip.
5. The currency of Thailand is the yuan.

Answer the questions.

1. Which two countries of the five are big?

---
