FIGHT FOR YOU

H . E . R .

All the smoke in the
Feel the hate when they
All the pain that we
Oh, you better
Their guns don't play
All we got is a
It was all in their
Wash the blood from your
Freedom for my brothers
Freedom 'cause they judge us
Freedom from the others
Freedom from the leaders, they keepin' us
Freedom gon' keep us
Freedom if you just hold on
Freedom ain't free at all
I'm gon' see it through
There's no one, there's no one like you
Long as I'm standing, we can never lose
I'ma always, always fight for you
I'ma always, always fight for you
Oh, oh, oh, oh
Oh-oh, oh-oh, oh-oh, oh-oh
Oh, oh, oh

prayer
 hands
 stare
 plans
 strong
 ready
 more
 fair
 beware
 bear
 air

Mental institution causing so much confusion
Seems the only solution is a new evolution
We can't take it no
No, it can't be ignored
When they knock on your door, will you be for war?
Freedom 'cause they need us (freedom 'cause they need us)
Free from how they see us
Freedom, won't you free us? (Free us)
Freedom doesn't hang from the trees
Freedom from injustice (injustice)
Freedom from corruption (corruption)
They aiming for destruction
And you know, they gon' see it through (yeah, yeah)
There's no one, there's no one like you (like you)
Long as I'm standing, we can never lose (uh)
I'ma always, always fight for you
I'm always fight for you
Ooh-oo, ooh-oo
See it through
There's no one, there's no one like you, ooh-oo
I'ma always fight for you
For you, for you, fight for you
