|                |                                                                                                                    |
|----------------|--------------------------------------------------------------------------------------------------------------------|
| <b>Mansoor</b> | : Hello! I'm Mansoor from Nepalgunj. May I speak to Mr. Sabin?                                                     |
| <b>Subin</b>   | : Hello, Uncle! Papa isn't back home yet. He usually comes around 7 p.m.<br>May I take a message for him?          |
| <b>Mansoor</b> | : Please tell him I am coming to Kathmandu, and will be reaching there by<br>Buddha Air this Saturday at 9:45 a.m. |
| <b>Subin</b>   | : Do you want him to receive you at the airport?                                                                   |
| <b>Mansoor</b> | : That'll be so kind of him.                                                                                       |
| <b>Subin</b>   | : I'll definitely pass on message to him, Uncle.                                                                   |

**A. Match the words in Column 'A' with their meanings in Column 'B'**
