Hello!! I am Anna and I am twelve years old. I am from the USA, in North America, but I live in Argentina. I live in the city with my mother Elizabeth, my dad Marcos and my two brothers, Felipe and Luis. I also have a dog and a cat.

I have many hobbies. I like reading comic books and doing puzzles. I also like making things I see on TV but I don't like roller-skating. My mom likes baking and my dad likes playing video games. My two brothers like playing hide and seek with me.

I help out at home too!! I always clean up my room and feed my pets. My dad always cooks but he never washes the dishes. My mom usually goes shopping and waters the plants but she never takes out the garbage. What about you?
