

Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

When the _____ comes
When we see what we've become
In the cold light of day, we're a flame in the _____
Not the _____ that we've begun
Every argument, every word we can't take back
'Cause with all that has happened
I think that we both know the way that this _____ ends

[CHORUS]

I want to see you smile but _____
I want to change my mind _____
Know that means I'll have to leave _____
'Cause this just don't feel right to me _____
Then only for a minute 1
I wanna raise your spirits _____

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

When the evening falls
And I'm left there _____
And the image of you _____
Well, it's eating me up inside
But we ran our course _____
Now if we jump together, _____
Far away from the wreck we made

[CHORUS]

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

So I'll go, I'll go
I will go, go, go
So I'll go, I'll go
I will go, go, go
