Love me anyway

Pink - Love Me Anyway (Lyrics) ft. Chris Stapleton

Even if you see my _____
Even if I break your heart
If we're a million miles apart
Do you think you'd _____ _____?
If I get lost in all the _____
Even if I lose my voice
Flirt with all the _____boys
What would you say?

Could you?
Could you?
Could you love me anyway?

Is it for better or for _____
Or am I just your good time girl?
Can you still _____ me when it _____
Or would you walk away?
Even if I _____ you
_____ you down and criticize you
Tell a million lies about you
What would you say?

Could you?
Could you?
Could you?
Could you love me anyway?
Could you? (Aw, could you?)
Could you? (Could you?)
Could you?
Could you love me anyway?
Could you?

Could you? (Could you still love me?)
Could you? (Pick up the pieces of me?)
Could you? (Could you still love me?)
Could you…
