

# LET'S REVISE FOR OUR MIDTERM EXAM

Read, look at the picture and answer:

I get up at quarter past seven every day and I have a bath. Then I always have a cup of coffee and toast for breakfast. I go to school by bus. I usually sit next to my friend Milhouse on the bus. We have lots of fun. I go home at four o'clock. I hate school! When I get home, I take my dog Santa to the park. I usually ride my bike or I go skateboarding. I often have dinner at half past six with my family. Then I do my homework and watch 'Itchy and Scratchy' on TV. That's my favourite TV programme! Finally, I go to bed at half past ten.
