I used to think one day we'd tell the story of us
How we met and the _____ flew instantly
People would say, "they're the lucky ones"

I used to know my _____ was a spot next to you
Now I _____ the room for an empty seat
'Cause lately I don't even know what page you're on

Oh, a simple complication
Miscommunications lead to fall out
So many _____ that I wish you knew
So many walls up I can't break through

Now I _____ alone in a crowded room
And we _____ and I _____ to know
_____ you like _____ me yeah
I don't know what to say since the twist of fate
When it all broke down, and the story of us
Looks a lot like a tragedy now... next _____

How'd we end up this way?
See me nervously pulling at my clothes
And trying to look busy
And you _____ your best to avoid me
I _____ to think one day I'll tell the story of us
How I was losing my mind when I saw you here
But you held your pride like you should have held me

Oh, I'm scared to see the ending
Why _____ this is nothing?
I'd tell you I miss you but I don't know how
I've never heard silence quite this loud
