EDUCATING FOR THE FUTURE; SHAPING WITH CHARACTER

Faithful - *"In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one."* ***Ephesians 6:16***

Independence Day

Independence Day is always on July 4th. It celebrates the United States decision to become free from England.

Long ago, America was not its own country. They were 13 colonies owned by England. American people were not happy. They wanted to make their own rules. They wanted to be free.

On July 4th, in 1776, the Founding Fathers decided they must be free, then they wrote the Declaration of Independence. This was the beginning of a fight for freedom. It was a long and hard fight, but America won the battle against England. Because of that, they are free today!

There are many important symbols in America. The American Flag is one of the American symbols. You can see the American flag in classrooms, courtrooms, and houses all across America. The American flag was created in 1777 and included 13 stripes and 13 stars. Today the flag includes 13 stripes to represent the 13 original colonies and 50 stars to represent the 50 states of America. The flag is a symbol of respect to America. The flag is also called "Old Glory" or the "Stars and Stripes".
