

SOMEONE LIKE YOU

1. Read the song lyrics and then look at the words in **bold**. Underline the words in each line that you think the words in **bold** could replace.

I heard that you're <u>married</u> now	settled down
That you met a girl	found
And you're wedded now	married
I heard that your dreams became reality	came true
Assume she gave you things	guess
I didn't provide to you	give
Old friend why are you so timid	shy
Ain't like you to repress	hold back
Or keep away from the light	hide
I hate to turn up unexpectedly uninvited but	out of the blue
I couldn't stay away I couldn't stop it	fight
I had hoped you'd see my eyes	face
And that you'd remember that for me it isn't over	be reminded

2. Circle the correct option according to the song.

Never mind I'll/ I'd find someone like you
I wish **everything/ nothing** but the best for you too!
Don't forget me, I **beg / pray**, I'll remember you said
Sometimes it **rests / lasts** in love
But sometimes it **is sad / hurts** instead

3. Link the first part of the sentence with the second part

Nothing compares	they're memories made
Regrets and mistakes	how bitter-sweet this would taste
Who would have known	no worries no cares
