Cyber School

Australia is a very big country. A lot of families live on farms. The farms are a long way from towns or cities, so the children don't go to school. They have lessons at home and they talk to their teachers on the Internet. They are students of the Cyber School!

Ellie, 10
I live on a farm. There isn't a town for 500 kilometres! That's six hours in the car! So I do Cyber School. I get up early every day. First, I help on the farm. Then, I watch my teachers on the Internet. Next, I do my school work. Finally, I email my work to my teacher. Some of my school friends live 2,000 kilometres away! But we meet every year and have a sports day together!
