

H1) $\text{RM}13\,889.70 \div 11 \times 2 = \underline{\hspace{2cm}}$

_____ × _____ = _____

A 10x10 grid with a staircase pattern. The pattern consists of black and red lines and dots. The lines are horizontal and vertical, forming a series of steps. The dots are located at the intersections of the lines. The pattern starts at the top left and moves towards the bottom right. The lines are black, except for the last one which is red. The dots are black.
