

MY STYLE...

This month, *CoolClothes* magazine is in Argentina. Let's meet Malena and Luca, two teens with their own individual style.

Malena, Santa Fe

CC: What do you like to wear, Malena?

M: I usually wear jeans and T-shirts. And scarves – I always wear a scarf! I haven't got many skirts.

CC: Which is your favourite shop?

M: It's 47 Street. This black jacket is from there.

CC: How much time do you spend in clothes shops?

M: Quite a lot!

Luca, City of Buenos Aires

CC: How many pairs of trainers have you got, Luca?

L: About four. I love them! And I've got a lot of hoodies and caps. I buy them at Alto Palermo shopping centre.

CC: How often do you go there?

L: Well, I haven't got much money – so about once every two months.
