SoW: Lesson 47

Read the dialogue below and answer the questions that follow.

Sofia : Mum, can you please lend me some money?  
 Mother : Why? How much do you want?  
 Sofia : I want to buy a gift for my friend as it's her birthday next week. I have about RM5.00 in my savings.  
 I need another RM15.00. I would like to get her some stationery.  
 Mother : OK. Why don't you help me with some chores and I'll pay you if you do them well?  
 Sofia : That sounds like a good idea. And, if I get extra money I can buy some stationery for myself too.  
 I would also like to buy a handphone.  
 Mother : What's wrong with your present one?  
 Sofia : It's not working well.  
 Mother : Why don't you repair it?  
 Sofia : It costs too much to repair it, Mum. It's really not worth it. I might as well buy a new phone that won't give trouble for some time.  
 Mother : That's going to cost you quite a bit.  
 Sofia : Yes, I know. It'll take some time before I make enough money to buy it. My friend says I can sell some things that I'm not using which are still in good condition online. What do you think?  
 Mother : That's a good idea. Maybe I too can give you some things that I'm not using and you can try and sell them online. It's a good way to recycle and get rid of the things we don't need.  
 Sofia : OK. Thanks, Mum. Let me find out more about this and see what I can come up with.
