#### Questions 6–10

The people below are all visiting the same city in Britain and want to find a suitable hotel.

On the opposite page there are descriptions of eight hotels.

Decide which hotel would be the most suitable for the following people.

For questions 6–10, mark the correct letter (A–H) on your answer sheet.

6

Stephen is looking for a top-quality hotel which is convenient for the airport, to hold a meeting with visiting German publishers. They will stay overnight and want to take some exercise outdoors after the meeting.

7

Karl and Monika want to stay in the city centre overnight at a hotel offering good local food. The next morning they plan to see the main sights. They are not worried about the cost of the hotel.

8

James and Denise want a modern, medium-priced hotel in the city, but will eat out during their stay. They also want to see some films in the evenings, somewhere near their hotel.

9

David and Katrina have just started work after leaving college and haven't got much money, so they want a reasonably priced hotel. They like country walks and watersports.

10

Sue and Belinda want to stay somewhere in the city centre that offers a variety of evening entertainment within the hotel, including live music.

## HOTELS

**A** The **Salisbury Hotel** is a top hotel with a health club, swimming pool, shops and a fully-equipped business centre. Within the hotel are three international restaurants, one with a French chef. The hotel is conveniently located close to the motorway, though airport users should allow plenty of time because traffic is usually heavy.

**C** The **Rathmore Hotel** offers good value accommodation, with wonderful English food in the restaurant. The hotel is well-known for its small orchestra which plays while guests have dinner. It is on the eastern edge of the city but special sightseeing buses are available to take guests into the centre (the trip takes over an hour in traffic).

**E** The newly-built **Aviemore Hotel** is small but in the centre of the city's cinema, restaurant and nightclub district. Rooms are clean, comfortable and reasonably priced, although the food is rather basic. There is an electronic games arcade in the hotel.

**G** The **Westmore Hotel** is in beautiful countryside to the east of the city. It is peaceful and inexpensive, although the accommodation is basic. There are opportunities nearby for sailing and diving, and a lot of interesting routes to explore on foot.

**B** The **Cumberland Hotel** is well placed for sightseeing on a busy city street, in a district which is full of interesting shops. Rooms are expensive but comfortable and the hotel serves excellent food, typical of the area. A piano player entertains guests every night in the bar.

**D** The **Russell Hotel** is close to the airport, and has quiet, comfortable rooms. However, the journey to the city centre can take time, and prices are above average. Delicious local food is served in the restaurant, and its conference rooms and business facilities are excellent. The hotel is surrounded by woodland, offers a golf course, and there are pleasant walks around the nearby lake.

**F** The **Padnal** is an older hotel in the heart of the city, with ground-floor rooms opening onto a country-style garden. Prices are reasonable. There is a sports centre and a small cinema and nightclub. A band performs every evening in the hotel restaurant, where excellent French food is served. Airport buses pick up from the hotel.

**H** Although the prices at the **Grange Hotel** are higher than at many city-centre hotels, it has a lot to offer. It shares a modern complex with nightclubs, cinemas, shops and conference facilities, 20 kilometres west of the centre. Trains run from the nearby railway station to the city centre and the airport, although journeys can take up to an hour.
