Gave you all I had
And you tossed it in the trash
You tossed it in the trash, yes you did

You would watch me burn down in flames
You said you loved me, you're a liar
Cause you never ever ever did, baby

But, darling, I'd still catch a grenade for you
Throw my hand on the blade for you
I'd jump in front of a train for you
You know I'd do anything for you

I would go through all this pain
Take a bullet straight through my brain
Yes I would die for you baby
But you won't do the same

No, you won't do the same
You wouldn't do the same
Ooh, you'd never do the same
Oh, no no no
