

Notas en el pentagrama

Observa la escala y ubica debajo de cada nota su nombre tanto en las líneas como en los espacios

A musical staff with a treble clef and five horizontal lines. There are ten colored dots representing notes: red, blue, yellow, purple, green, orange, red, blue, green, and orange. Below the staff are two rows of boxes for labeling. The first row contains boxes labeled MI, MI, RE, SOL, FA, SI, FA, LA, and DO. The second row contains five empty boxes.

Repasamos la escala musical

A musical staff with a treble clef. A diagonal orange line starts from the bottom left and slopes upwards to the top right, passing through several colored dots (blue, green, red, purple, orange, yellow, blue, red, green, orange, yellow). Below the staff are two rows of boxes for labeling. The first row contains boxes labeled MI, MI, RE, SOL, FA, SI, FA, LA, and DO. The second row contains four empty boxes.

Escribe el nombre de las siguientes notas en su lugar debido en los cuadros debajo del pentagrama.

A musical staff with a treble clef and five horizontal lines. There are ten black dots representing notes. Below the staff are two rows of boxes for labeling. The first row contains boxes labeled MI, MI, RE, SOL, FA, SI, FA, LA, and DO. The second row contains ten empty boxes.
