Activity 1: Read a text about 'A City from the Past' and tick on the correct images.

A City from the Past

This is a picture of New York City in the year 1900. It was very different then. There weren't any shopping centres or cinemas, but there were shops and theatres.

There weren't many cars back then, but there were lots of horses and carriages. The streets of New York City weren't quiet. They were noisy and full of people, just like today.

What was there in New York City in the year 1900?
