

Introducing myself!!

My name is Annie Watson and I am twelve years old. I have short brown hair and brown eyes. I was born in London but I live in Germany. I have one brother and also one sister. I have two pets, one dog called Bob and a cat called Misha. I love reading, horse riding swimming and dancing. My best friend is Laura, she has brown hair like me and she also loves horse riding. In our free time we go horse riding together and we spend the weekend surrounded by horses. My favourite music group is "One Direction" and I can't stop listening their song "You're beautiful". I would like to become a teacher when I grow up and I would love to study abroad, if possible, in Italy.

Choose if the following statements are true or false and write the sentence correctly:
