

Walk Slow Smile More JUST

I Listen and fill in the gaps with proper adjective

1) long 2) white 3) cold 4) dark 5) low

.... days, walks

.... waves, thoughts

Lay, you said to me

How long is endlessly

II Listen and arrange the lines in the correct order

- 1) From here the world looks like its upside down
- 2) I walk slow, smile more
- 3) I walk slow, smile more
- 4) But there is no one here to notice

III Listen and fill in the gaps with the proper preposition

1) within 2) up 3) over 4) from 5) on

I wake, stand tall

I reach out, Fall down

At night, I lay awake

These chains I can't escape

I walk slow, smile more

And save my tears from flowing

I walk slow, Smile more

It's hard when you're a million miles home

But the words my skin

Feed the fire

And I raise my glass

To the love we share and the times we've had

IV Listen and correct the mistakes

I run slow, smile more

I'm sleeping while the storm blows over

I walk slow, smile less

I feel the white and all my fears have gone, gone, gone, gone

Walk slow, smile more

And get when you search for
