

You took my hand  
You showed me how  
You promised me you'd be around  
That's right  
I took your words and I believed  
In everything you said to me  
That's right

If someone said three years from now  
You'd be long gone  
I'd stand up and punch them out  
Cause they're all wrong  
I know better  
Cause you said forever, and ever  
Who knew

Remember when we were such fools  
And so convinced and just too cool  
Oh no, no no  
I wish I could touch you again  
I wish I could still call you friend  
I'd give anything

When someone said count your blessings now  
'fore they're long gone  
I guess I just didn't know how  
I was all wrong  
They knew better  
Still you said forever, and ever  
Who knew

I'll keep you locked in my head  
Until we meet again  
Until we, until we meet again  
And I won't forget you my friend  
What happened

If someone said three years from now  
You'd be long gone  
I'd stand up and punch them out  
Cause they're all wrong and  
That last kiss I'll cherish  
Until we meet again  
And time makes it harder  
I wish I could remember  
But I keep your memory  
You visit me in my sleep  
My darling  
Who knew

Find in the lyrics the past simple form of the following verbs.

say

believe

be

take

can

know

show

promise

Write the past simple form of the following verbs next to their infinite form.

say \_\_\_\_\_

## Set Fire to the Rain

I let it fall, my heart,  
And as it fell you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me

My hands, they were strong  
But my knees were far too weak  
To stand in your arms  
Without falling to your feet

### CHORUS:

But there's a side to you  
That I never knew, never knew.  
All the things you'd say  
They were never true, never true,  
And the games you play  
You would always win, always win.

But I set fire to the rain,  
Watched it pour as I touched your face,  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name!

When I lay with you  
I could stay there  
Close my eyes  
Feel you here forever  
You and me together  
Nothing gets better

### CHORUS

I set fire to the rain  
And I threw us into the flames  
Well, it felt something died  
'Cause I knew that that was the last time, the last time!

Sometimes I wake up by the door,  
That heart you caught must be waiting for you  
Even now when we're already over  
I can't help myself from looking for you.

...

Let it burn

Find in the lyrics the past simple form of the following verbs.

## Rasputin

There lived a certain man in Russia long ago  
He was big and strong, in his eyes a flaming glow  
Most people looked at him with terror and with fear  
But to Moscow chicks he was such a lovely dear  
He could preach the bible like a preacher  
Full of ecstasy and fire  
But he also was the kind of teacher  
Women would desire

### CHORUS:

Ra-Ra-Rasputin  
Lover of the Russian queen  
There was a cat that really was gone  
Ra-Ra-Rasputin  
Russia's greatest love machine  
It was a shame how he carried on

He ruled the Russian land and never mind the czar  
But the kasachok he danced really wunderbar  
In all affairs of state he was the man to please  
But he was real great when he had a girl to squeeze  
For the queen he was no wheeler dealer  
Though she'd heard the things he'd done  
She believed he was a holy healer  
Who would heal her son

### CHORUS

But when his drinking and lusting and his hunger  
for power became known to more and more people,  
the demands to do something about this outrageous  
man became louder and louder.

"This man's just got to go!" declared his enemies  
But the ladies begged "Don't you try to do it, please"  
No doubt this Rasputin had lots of hidden charms  
Though he was a brute they just fell into his arms  
Then one night some men of higher standing  
Set a trap, they're not to blame  
"Come to visit us" they kept demanding  
And he really came

### CHORUS

He drank it all and said "I feel fine"

They didn't quit, they wanted his head

And so they shot him till he was dead

## I Will Survive

First I was afraid, I was petrified  
Kept thinking I could never live  
without you by my side  
But then I spent so many nights  
thinking how you did me wrong  
And I grew strong  
I learned how to carry on

And so you're back  
from outer space  
I just walked in to find you here  
with that sad look upon your face  
I should have changed my stupid lock  
I should have made you leave your key  
If I had known for just one second  
you'd be back to bother me

Oh now go! Walk out the door!  
just turn around now  
'cause you're not welcome anymore  
weren't you the one who tried to hurt me with goodbye  
you think I'd crumble  
you think I'd lay down and die  
Oh no, not I  
I will survive  
as long as i know how to love  
I know I will stay alive  
I've got all my life to live  
I've got all my love to give  
and I'll survive  
I will survive

It took all the strength I had  
not to fall apart  
kept trying hard to mend  
the pieces of my broken heart  
and I spent oh so many nights  
just feeling sorry for myself  
I used to cry  
Now I hold my head up high  
and you see me  
somebody new  
I'm not that chained up little person  
still in love with you  
and so you felt like dropping in  
and just expect me to be free  
now I'm saving all my loving  
for someone who's loving me
