

READING COMPREHENSION GRADE 2

Read the text carefully and answer the questions.

STORMY WEATHER

How can we tell that a storm is **on the way**? A grey sky can mean that a storm is coming. Soon we see **lightning**. The lightning is followed by thunder. That means it is the time for us to go inside!

A snowstorm can form when it is cold. The wind may blow the snow into **big piles**.

In a **tornado**, strong wind **roar** with much more **force**. The wind can pick up trees and cars!

Choose the correct answers.

1. The sign that the storm is coming is _____
2. When we see lightning and thunder, we need to _____
3. When it's _____ snowstorm can happen.
4. In snowstorm, the wind can blow _____
5. The wind is _____ when tornado happens.
6. The tornado's wind can _____ trees and cars.
