

Interview: Neil Armstrong

We are traveling in time to 1970, so we can interview the famous astronaut Neil Armstrong. You need to get the following information to write your article about him.

- The place and date he was born.
- The number of brother or sisters he has.
- Whether he is married or not. If he is married, how many children he has.
- The age he got his student pilot's license.
- The name of the mission he went to the moon for.
- The time he spent walking on the moon.
- His feelings when he stepped on the moon.
- What he did after returning from the moon.
