The activity involves a child standing on a beach with their back to the viewer, facing the ocean. There are four empty white boxes on the beach: one in the center, one to the left, one to the right, and one in front of the child. To the right of the beach scene, there are four instructions with corresponding icons: a key for 'al sur', a dog for 'al oriente', a globe for 'al norte', and flip-flops for 'al occidente'. Below these instructions is a 2x2 grid of icons: a dog, a globe, flip-flops, and a key. Each icon has a small 'X' mark next to it, indicating where it should be placed on the beach.
