

### Every breath you take

Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watching you  
Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watching you  
Oh, can't you see  
You belong to me  
How my poor heart aches  
With every step you take  
Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you  
Since you've gone I've been lost without a  
trace  
I dream at night I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying baby, baby please  
Oh, can't you see  
You belong to me

How my poor heart aches  
With every step you take  
Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you  
Every move you make  
Every step you take  
I'll be watching you

### Let her go passenger

Well, you only need the light when it's  
burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her  
go  
Only know you've been high when you're  
feeling low  
Only hate the road when you're missing  
home  
Only know you love her when you let her  
go  
And you let her go

Staring at the bottom of your glass  
Hoping one day you'll make a dream last  
But dreams come slow, and they go so  
fast

You see her when you close your eyes  
Maybe one day, you'll understand why  
Everything you touch surely dies

But you only need the light when it's  
burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her  
go  
Only know you've been high when you're  
feeling low  
Only hate the road when you're missing  
home  
Only know you love her when you let her  
go

Staring at the ceiling in the dark  
Same old empty feeling in your heart  
Cause love comes slow, and it goes so  
fast

Well, you see her when you fall asleep  
But never to touch and never to keep  
Cause you loved her too much, and you  
dived too deep

Well, you only need the light when it's  
burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her  
go  
Only know you've been high when you're  
feeling low  
Only hate the road when you're missing  
home  
Only know you love her when you let her  
go

And you let her go  
Oh, oh, mm, oh  
And you let her go  
Oh, oh, uh, uh  
Well, you let her go

Cause you only need the light when it's  
burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her  
go  
Only know you've been high when you're  
feeling low  
Only hate the road when you're missing  
home  
Only know you love her when you let her  
go

Cause you only need the light when it's  
burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her  
go  
Only know you've been high when you're  
feeling low  
Only hate the road when you're missing  
home  
Only know you love her when you let her  
go  
And you let her go

# Roar

[Katy Perry](#)

I used to bite my tongue and hold my  
breath  
Scared to rock the boat and make a mess  
So I sat quietly, agreed politely  
I guess that I forgot I had a choice  
I let you push me past the breaking point  
I stood for nothing, so I fell for everything

You held me down, but I got up (hey)  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder, gonna shake the ground  
You held me down, but I got up (hey)  
Get ready 'cause I've had enough  
I see it all, I see it now

I got the eye of the tiger, a fighter  
Dancing through the fire  
'Cause I am a champion, and you're gonna  
hear me roar  
Louder, louder than a lion  
'Cause I am a champion, and you're gonna  
hear me roar

Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
You're gonna hear me roar

Now I'm floatin' like a butterfly  
Stinging like a bee, I earned my stripes  
I went from zero, to my own hero

You held me down, but I got up (hey)  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder, gonna shake the ground  
You held me down, but I got up (hey)

Get ready 'cause I've had enough  
I see it all, I see it now

I got the eye of the tiger, a fighter  
Dancing through the fire  
'Cause I am a champion, and you're gonna  
hear me roar  
Louder, louder than a lion  
'Cause I am a champion, and you're gonna  
hear me roar

Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
You're gonna hear me roar

Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh (you'll hear me roar)  
Oh-oh-oh-oh-oh  
You're gonna hear me roar

Roar, roar, roar, roar, roar

I got the eye of the tiger, a fighter  
Dancing through the fire  
'Cause I am a champion, and you're gonna  
hear me roar  
Louder, louder than a lion  
'Cause I am a champion, and you're gonna  
hear me roar

Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh (yeah)  
Oh-oh-oh-oh-oh  
You're gonna hear me roar

Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh (you'll hear me roar)

Drink from me, drink from me (oh-ah-oh-ah)

Then we'll shoot across the (oh-ah-oh-ah)

Symphony

(So high, so high)

Then we'll shoot across the sky

Oh, angels sent from up above

You know you make my world light up

When I was down, when I was hurt

You came to lift me up

Life is a drink, and love's a drug

Oh now I think I must be miles up

When I was hurt, withered, dried up

You came to rain a flood

So drink from me, drink from me

When I was so thirsty

We're on a symphony

Now I just can't get enough

Put your wings on me, wings on me

When I was so heavy

We're on a symphony

When I'm lower, lower, lower, low

Ah-oh-ah-oh-ah

Got me feeling drunk and high

So high, so high

Oh-ah-oh-ah-oh-ah

I'm feeling drunk and high

So high, so high

I feel it coursing through my blood

To make the stars come out

# Hallelujah

[Leonard Cohen](#)

Now I've heard there was a secret  
chord  
That David played, and it pleased the  
Lord  
But you don't really care for music, do  
you?  
It goes like this, the fourth, the fifth  
The minor falls, the major lifts  
The baffled king composing Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Your faith was strong but you needed  
proof  
You saw her bathing on the roof  
Her beauty and the moonlight  
overthrew her  
She tied you to a kitchen chair  
She broke your throne, and she cut  
your hair  
And from your lips she drew the  
Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Well, maybe there's a God above  
As for me all I've ever learned from  
love  
Is how to shoot somebody who  
outdrew you  
But it's not a crime that you're hear  
tonight  
It's not some pilgrim who claims to  
have seen the Light  
No, it's a cold and it's a very broken  
Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Instrumental

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Well people I've been here before  
I know this room and I've walked this  
floor  
You see I used to live alone before I  
knew ya  
And I've seen your flag on the marble  
arch  
But listen love, love is not some kind  
of victory march, no  
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

There was a time you let me know  
What's really going on below  
But now you never show it to me, do  
you?  
And I remember when I moved in you  
And the holy dove she was moving  
too  
And every single breath we drew was  
Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Now I've done my best, I know it  
wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth, I didn't come here to  
London just to fool you  
And even though it all went wrong  
I'll stand right here before the Lord of  
song  
With nothing, nothing on my tongue  
but Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Hallelujah
