

## Seven Nation Army

The White Stripes

I'm going to fight them off FORGET  
A seven nation \_\_\_\_\_ couldn't hold me back  
They're gonna rip it ARMY  
Taking their time right behind my back  
And I'm talking to myself at BEHIND  
Because I can't NIGHT  
Back and forth through my mind  
\_\_\_\_\_ a cigarette LEAVE  
And the message coming from my eyes  
Says: \_\_\_\_\_ it alone OFF  
Don't want to hear \_\_\_\_\_ it HEAR  
Every single one's got a \_\_\_\_\_ to tell  
\_\_\_\_\_ knows about it EVERYONE  
From the Queen of England to the hounds of hell  
And if I catch it \_\_\_\_\_ back my way ABOUT  
I'm gonna serve it to you  
And that ain't what you want to STORY  
But that's what I'll do COMING  
And the \_\_\_\_\_ coming from my bones  
Says: Find a BLOOD  
I'm going to Wichita WORK  
Far from this opera forevermore  
I'm gonna \_\_\_\_\_ the field HOME  
Make the sweat drip out of every pore  
And I'm \_\_\_\_\_ and I'm bleeding BLEEDING  
And I'm bleeding right before my Lord  
All the words are gonna \_\_\_\_\_ from me FEELING  
All I will think no more. BLEED  
And the stains coming from my \_\_\_\_\_  
Tell me: Go back home
