Professor Wilson—

I've been sick for the past two days. That's why I missed the last test. I'm really annoyed.

I studied a lot for it and was really well prepared. May I ^{take} taking a make-up exam?

I know you never miss class, Tim, so I assumed that's what happened. I hope you're

feeling better. Yes, you can take a make-up exam if you bring a doctor's note.

If I can take the exam, may I use my calculator during the test?

No, you mayn't! It's against the guidelines we established at the beginning of the semester. Remember?

Could my roommate comes to class and take notes for me on Thursday?

Yes, he could. I hope you can read his handwriting!

Do you mind when he records Allison's presentation for me? I don't want to miss it.

Not at all. It's fine for him to record the presentation.

One last thing—I know I missed some handouts. May I have please copies of them?

Sure. I'll give them to your roommate on Thursday.

Thanks a lot.

Tim
