

Let It Go

The glows
white on the
mountain tonight
Not a footprint to be

A kingdom of
isolation
And it looks like I'm
the

The wind is
howling like this
swirling storm

Couldn't keep it in, heaven knows I've
tried
Don't let them in, don't let them see
Be the good
you always have
to
Conceal, don't
feel, don't let them

Well, now they
know
Let it go, it go
Can't hold back
anymore

Let it , let it go
Turn away and
slam the
I don't care what
they're going to
say
Let the storm rage
on
The never
bothered me
anyway

It's funny how
some distance
makes everything
seem
And the fears that
once controlled
me get to me
at all
It's time to see
what I can do
To the limits
and break through
No right,
wrong, no rules
for me
I'm

Let it go, let it go
I am one with the
wind and sky
Let it go, let it go
You'll never see
me
Here I stand and
here I stay
Let the storm rage
on

My power flurries
through the air
into the ground
My is
spiraling in frozen
fractals all around
And one thought
crystallizes like an
icy blast
I'm never going
back, the past is
in the

Let it go, let it go
When I'll rise like
the break of dawn

Let it go, let it go
That girl is
gone
Here I stand in the
light of day
Let the storm rage
on
The cold never
bothered me
