

3) Listen to the song and fill in the gaps.

Levitating – Dua Lipa

If you wanna _____ with me, I know a _____

And I can _____ you for a ride

I had a premonition that we fell into a rhythm

Where the music don't stop for life

Glitter in the sky, glitter _____

Shining just _____ I like

If you're feeling like you need a little bit of company

You met me at the _____

You want me, I want you, baby

My sugarboo, I'm _____

The _____ Way, we're renegading

Yeah-yeah-yeah-yeah

I got you, _____, you're my starlight

I need you all night, come on, dance with me

I'm levitating

You, moonlight, you're my starlight (you're the moonlight)

I need you all night, come on, dance with me

I'm levitating

I believe that you're for me, I _____ it in our energy

I see us written in the stars

We can go wherever, so let's do it now or...

run away

the way

moonlight

in my eyes

feel

perfect time

levitating

galaxy

milky

take
