Dear \_\_\_\_\_,

Thank you for your letter. I'm always glad to get your letters. **How are you? (1)**

I hope you have already recovered.

By the way, I was also a little ill. My doctor prescribed me some medicine for sore throat; it helped me well. **What did your doctor advise for you? (2)**

Soon is summer. We are planning to go to London. I hope I will be very excited about my future trip. I know you were in Britain last month. I need your advice. **What luggage should I take with? (3) Which is better to book single or return tickets? (4) What souvenirs did you buy there? (5)**

It's time to help my mother. Keep in touch!

Yours,

Helga
