Me and My Avatar!

My name is Milly and this is my avatar. I made it on a website. I answered a lot of questions about my hair and eyes. I described the accessories that I like to wear. I emailed a photo to the website.
In the photo, I'm wearing a flower in my hair. It's a paper flower that I made in art class! Yesterday, the website made my avatar. But it doesn't look like me!
I don't have long, straight, brown hair! My hair is short and curly. My avatar has big eyebrows. My eyebrows aren't big, and I wear glasses! But we have the same flower in our hair.
