

Ivan threw a dice 25 times. The numbers shown on the dice after each throw are recorded below.

2,3,1,5,1,4,4,6,2,3,3,5,1
5,1,4,6,4,2,3,1,1,3,5,4

Help Ivan complete the table below. Then answer the questions that follow.

Number on the dice	Tally	Frequency (Number of times)
Number on the dice	Tally	Frequency (Number of times)
1		
2		
3		
4		
5		
6		

How many times did number 3 appear?

Which number appeared the most number of times

Which two numbers appeared the same number of times?
