last sunday, i went shopping at the cat and fiddle arcade. i caught a bus to liverpool street and then walked there from the bus stop. the cat and fiddle is a shopping centre in town. there are coffee shops and clothes shops and j b hifi.

while i was there, i met my friends anna and jamal. they were going to the tasmanian museum and art gallery. they asked me to go too, and i said yes. the museum was very interesting. we had a nice time there and i learnt about tasmania's history.
