1. Look at the Leon family write and answer the questions.

Hi, my name is Leon and I am 13 years old. This is my **crazy** family hahaha! I love each member of it. The man who is **in front of** the computer is my father, his name is Michael and he's an EnglishOn's teacher, he loves his job. The girl that is on the sofa is my father's daughter she is Maria. The **other** girl is Maria's sister, her name is Joanne. My mom is at work at the moment, she is a **lawyer**. My two sisters and I love **pets**, We have a dog and a cat and we have them living **inside** the house **even though** my mom doesn't **agree** with that.

What about me ?

I love singing at home because I **feel ashamed** of doing in front of many people. **However**, I sing a **song** in my grandfather's party. Hahaha :)

Thank you for reading about my family and I'M LEON. TAKE CARE!!!
