

A LOT TO LOSE

24kGoldn

Take a look at my lifestyle right now, me to lose
Gotme to prove

Take a look atright now,lose
Ain't always in the right likea lot for me to prove
Say you love me, me at the same time (same time)
Said I love you, but you told me that you ain't mine (nah)
Take a look at my lifestyle right now,

You say you don't know me (more)
What we fighting for? (For)
I thought you were tripping when you asked me
"Do you even love me anymore?" (More)
Now I do not know (know)
'Cause you been acting different since the last week
No time to fight now (no)
Barely got time for me
Can't right now
I'm just chasing my dreams
Ups and downs, get me off this roller coaster
You can't see that even if I told you

Take a look at my lifestyle right now, **a lot for/ lot for** me to lose
Ain't always in the **right like/right live** right now, a lot for me to prove
Say you love me, but you hate me at the same time (same time)
Said I love you, but you told me that you ain't mine (nah)
Take a look at my lifestyle right now, **lot for /a lot for** me to lose

When it all falls apart in the dark
Who you coming **crying to/ cry to?**
If you / It you are who you say who you are
You would know I'm trying to

Take a look at my lifestyle right now, **a lot for / a lot** me to lose
Ain't always in the right like right now, **a lot for me to/ a lot for me you** prove

Take a look at my lifestyle right now, a lot for me to lose
Ain't always in the right like right now, a lot for me to prove
Say you love me, but you hate me at the same time (same time)
Said I love you, but you told me that you ain't mine (nah)
Take a look at my lifestyle right now, a lot for me to lose (lot for me to lose)
